STORRS, CONNECTICUT, FRIDAY, MARCH 7, 1924

NO. 18

DAWSON RESIGNATION ACCEPTED BY CHURCH EFFECTIVE AUGUST 31

Board of Trustees Recognizes Progress Church has Made under Eight Years Leadership of Retiring Minister.

The Standing Committee and Board of Trustees of the Storrs Congregational Church have accepted the resignation of Rev. Marshall Dawson, tendered them a few weeks ago.

In his letter of resignation to the Board of Trustees, Rev. Dawson states as follows:

"I am of the opinion that the time has come for the officers of the Storrs Congregational Church to plan ahead for beginning the church work next academic year, under the leadership of some minister who may be able to approach the student-body from a new angle than that of my customary approaches and efforts. I am therefore presenting my resignation, to take effect August 31st. This length of notice will enable the Standing Committee and Trustees to plan intelligently, and at their leisure, for the program with which the next college year is to begin.

"In conclusion, it should be stated that the congregation of Storrs Congregational Church, whether large or small, is one which any minister should consider it an honor to face; that the official personnel is of the highest quality; and that the minister accounts himself fortunate to have enjoyed the opportunity of service, in this strategic field, during a well-rounded period of eight years.

Sincerely yours,

MARSHALL DAWSON.

The Board of Trustees in its letter of acceptance recognizes the progress the church has made under the leadership of Rev. Dawson, and appreciates the national reputation the church has achieved through the publicity given his sermons. The letter from the Trustees follows:

"In accepting your resignation as pastor, the Standing Committee and Board of Trustees of the Storrs Congregational Church (Cont. on page 8 col. 2)

BALDWIN HEADS SENIOR GRADUATION COMMITTEE

Senior class committees in charge of Commencement Week activities appointed by President Ronald Bamford '24, were recently made public.

Those named on committees are: Executive committee, H. W. Baldwin, chairman, R. A. Palen, N. E. Platt, F. X. Brenneis; Class Day committee, T. F. Donahue, chairman, E. M. Eddy, Miss E. B. Hamilton; Caps and Gowns committee, R. E. Wing, chairman, L. B. Parker, Miss I. B. Moddell.

Annual Faculty-Students Tea Sunday

Arrangements are completed for the fourth annual faculty student tea in Hawley Armory, Sunday afternoon from three to five.

Refreshments will be served by the freshman girls and wives of the faculty members will pour. On the receiving line will be Dr. F. W. Sinnott, Miss M. E. Sprague, Prof. J. N. Fitts, Prof. C. B. Gentry and Prof. R. E. Dodge, from the faculty, while student organizations will be represented by Russel A. Palen, president of the Student Senate, Ronald Bamford,

president of the senior class, and F. W. Metzger, editor-in-chief of the Campus. Members of the senior and junior classes will usher.

A musical program of vocal and instrumental selections is planned. The program will consist of the following numbers: piano selections by Rosalie Finesilver and Margaret Demander, a quartette from the girls' glee club, vocal selections by Mrs. H. D. Newton, Mrs. Henry Dorsey, and Mrs. A. G. Skinner, and violin selections by Armen Bulbulian.

SPEERS, ALPHA PHI, WINS INTERFRAT MATCHES

DEFEATS SCLIER 100—79

Large Audience Witnesses the Final Match.—Cup Will be Presented to Winner at President's Hour.

Playing a safe game throughout the match, Ernest Speers, '26, of the Alpha Phi fraternity defeated Irving Sclier, '25, of Phi Epsilon Pi by the score of 100—79 in the final interfraternity pool match. The cup offered by the Mediator to the winner, now in the possession of Phi Epsilon Pi, will be awarded Alpha Phi at President's Hour.

On February 18 Gerald Allard, '26, representing the College Shakespearean Club, competed with John Cronin, '24, who represented Sigma Phi Gamma. The game, played on a neutral table, was close and interesting in the first half, but toward the end Cronin regained his form and Allard took the count, 100—63.

In the next match Cronin met Irving Sclier, representing Phi Epsilon Pi. The game was divided into two sections, the first fifty points being played on the Sigma Phi Gamma table, and the last fifty points on the Phi Epsilon Pi table. At the end of the first half Cronin had a two point lead on Sclier, but the latter "came back" on his own table during the second half and defeated Cronin by the score of 100—79.

The semi-final match was between Speers of Alpha Phi and Theodore Clark, '26, of Alpha Gamma Rho. The game was played on the Phi Epsilon Pi table and ended with Speers in the lead, 100—50.

In the final match between Speers and Sclier the game was divided into two halves, with the first half played on the Sigma Phi Gamma table and the second half played on the Phi Epsilon Pi table. Speers played a much safer and headier game than did his opponent, and walked off with the honors for Alpha Phi with a 100—79 score. A large audience witnessed the final match and applauded freely when a good shot was made.

PROGRAM BY ROMANCE LANGUAGE STUDENTS

ARRANGED BY M. CROTEAU
Music, Recitations, Playlet, and Dialogue Furnish Entertainment for a Large Audience.

The program of French and Spanish songs, recitations, playlet, dialogue, piano and violin solos, arranged by M. Croteau, professor of romance languages, was presented by his students in the Armory on Thursday evening, Mar. 6. The entertainment was gratis for all, and a large number were present.

The Soiree was opened by Mr. Mintz who acted as announcer, introducing the speakers and explaining the selections. A copy of the program follows:

1. Causerie, illustree de projections, par Mlle. Finesilver
"Pecheur d'Islande" written by Pierre Loti.
2. Trois chants par M. Andre of Williamantic. "Jeanne d'Arc"; "J'ai Pleure en Reve"; "Obstination"
3. Dialogue par Mlles. Harger and Coleman.
4. Pantomime.
5. Trois exercices par Mm. D'Esopa et Balock. "OJli Tambour"; "Bonjour Mon Beau Balock"; "At Choum."
6. Trois chants populaires par les eleves de French 3. "La Petite Bergere"; "Le Roi d'Yevtot."
7. "En Revant," morceau de piano et violon, par Mlle. Cramer et M. Girauard.
8. Chants Espagnols par Signor Warreck.
9. "En Passant par la Lorraine," chant populaire par les eleves feminines de French 5.
10. Deux chants par Mlle. Scholander. "A la Claire Fontaine"; "Elegie."
11. Deux chants par M. Adams. "Margre Moi"; "A des Oiseau."
12. "Par le Petite Doigt," par Mlle. Scholander et M. Adams.
13. Recitations par M. Richardson. "La Pipe"; "La Vie".
14. Scene de "Remi".

FACULTY AND SENATE MEET ON CUT SYSTEM

NEW METHOD ON TRIAL

Athletic, Illness, and Injury Cuts Discussed.—Committee States Stand on Situation.

Members of the faculty committee on scholastic standing and the Student Senate, met in joint session in the faculty club room in Hawley Armory, Thursday evening, for discussion on the new cut and grading system.

The student body's feeling on the new cut system, particularly as it affects the athlete and the student who is required to be absent from classes because of illness or injury, was presented by the Senate. The faculty committee's stand on the system lies on two points; first, that the new system gives greater justice to every one, and second, that it safeguards the value of the degree. It was admitted by the committee that there are points in the new system which are subject to criticism, but it is the opinion of the committee members that the injustices done are fewer in number and less in degree than under the method formerly in use. Secretary G. S. Torrey stated the fact that at present the system is only on trial. Whether it is finally adopted depends on how well it works out this year.

The committee emphasized three points in the discussion; first that it will gladly consider a written appeal from any student who feels that he has been done an injustice through grading or cuts; second, that it is attempting to rectify all apparent injustices; and third, that it agrees to consider the athlete's situation. Other things affected by the new system, such as the manner in which other colleges will interpret the standing of transfer students, determining those who will receive recognition on the honor roll, and how cuts for required field trips will be handled, were discussed at the meeting.

Credit Earned by Bulk of Students

Figures compiled by the secretary's office on the number of credits gained or lost by the new cut system were made public at the joint meeting of (Cont. on page 8 col. 2)

THINK IT OVER!

Students are reminded that considerable damage can be done to the lawns by walking across them when they are wet and muddy. In order to keep up the neat appearance of the campus, please refrain from taking short cuts across the grass. Stick to the walks, they are drier, anyway.

(Signed) Student Senate.

SIXTY-THREE MEN ARE OUT FOR TRACK SQUAD

FOUR MEETS PENDING

Indoor Workouts Until More Favorable Weather.—Meets Planned for Freshmen.

With the coming of spring, track coach "Steve" Daly may be seen every afternoon in the Armory working out groups of men for such events as can be practiced indoors. Including candidates for both the freshman and varsity squads, the total number of men trying for positions on the track team is sixty-three.

Dual meets for the varsity squad are pending as follows: Trinity at Storrs; Rhode Island State at Kingston, and Middlebury at Storrs. It is also planned to enter a team at the Eastern Intercollegiate meet at Springfield, Mass. Arrangements are also pending for meets for the freshman squad.

The men out for the Varsity include Johnson, Capt., Squires, Stocking, Brockett, Jacoby, Quigley, Longo, Goodrich, Hankwitz, Kane, McCarthy, Eyre, Evans, Hutton, Chase, Brenneis, and Fienemann. With the men that are now out for both squads and the additional men that will be out when practice moves out on the quarter-mile track, prospects look very favorable for Varsity and Freshman track this season.

AGGIES SET FOR R. I. GAME ON SATURDAY

Blue and White Meets Kingston for Second Contest of Season.—Light Workouts Past Week.

Fresh from three victories out of the last four games, the Aggie five will meet their old rivals, R. I., in Hawley Armory, Saturday night.

This will be the second game played between the two teams this season, Rhode Island winning the first after a tight game by a score of 28 to 31. As the Aggie hoopsters will have the benefit of playing on their own floor, a win is expected when these two teams meet this week end.

Coach Dole has held only light workouts during the week and the team is all set to make up for the defeat handed them at Kingston. The probable lineup will be, O'Brien and Baylock in the forward berths, Eddy jumping center, with Bitgood and Allard taking care of the Aggie back-court.

SENIORS LEAD FRESHMEN IN CO-ED CLASS GAME

Altho unevenly matched in the capturing of points the senior-freshman co-ed basketball game played on Monday, February 25, exhibited real class spirit on the part of both teams. With but one substitution, the game progressed rapidly, propelled by good head work and hard playing, and produced the final score of 42 points for the seniors against the 23 for the freshmen.

The line-up:
Seniors Freshmen
Ferris rf Norton

BLUE AND WHITE VARSITY AND YEAR- LINGS SWAMP TRINITY QUINTETTS

AGGIES LEAD FROM START

Eddy and Baylock Point Getters for Connecticut.—Trinity Loses Four Men on Personals.

Playing before a large crowd of Aggie alumni and students, the Blue and White Varsity defeated Trinity in Hartford last Saturday by the score of 38—21.

Connecticut outplayed Trinity in all departments of the game, and except for the first few moments in the second half, when the Hilltoppers staged a rally that threatened to overcome the Aggie lead, the outcome of the game was never in doubt. Coach Dole's quintette jumped into the lead at the start of the fray by caging three baskets in less than two minutes of play, and from then on, the Aggies kept well in front of the Hartford collegians.

Maxson Eddy, playing at center for Connecticut, led in scoring with a total of five baskets from the floor and two from the foul line, at the same time playing a great defensive game. Captain Baylock, although closely covered by the Trinity guards, managed to add eleven points to the Aggies total, scoring three baskets from the floor and five from the foul line.

Trinity, although outplayed in her last game of the season, worked hard to keep down the Aggie score, but her close guarding tactics drew enough personal fouls to send four of her men to the benches. Captain (Cont. on page 7 col. 3)

FROSH MEET FAST PREP TEAM AT R. I. PRELIM

Yearlings Last Appearance on Home Court This Season.—Six Wins and Two Defeats is Season's Record.

As the preliminary to the Rhode Island game on Saturday night, the freshman quintet will line up with the fast Roxbury Prep. School of Cheshire, Conn.

The game will be the final appearance of the "Aggie" yearlings on their home floor this season and a fast game is promised. The freshmen have had a successful season to date, winning six games and losing two, one to the strong Dartmouth five and one to the Brown freshman five, on their opponents' floor. The yearlings' season will be brought to a close one week from Saturday when they will meet the Rhode Island frosh at Kingston.

The same lineup that defeated the Trinity "Scrubs" so decisively last week will start the game. Seven-fifteen is the time scheduled for the contest to begin.

Substitutions: Fuller for Parker.
Referee: Guyer.

OUTCLASS HILLTOP FIVE

Opponents Make Only One Point in Second Half.—Palmer and Scofield High Aggie Scorers.

The fast freshman-varsity basketball team sent the undefeated Trinity scrubs to defeat by the score of 34 to 9 in the Hartford High School gym, Saturday night, as the preliminary to the Aggie Varsity-Trinity game.

The Aggie frosh completely outclassed the Hilltop scrubs, Scofield and Capt. Palmer dropping baskets almost at will, and Baron making it practically impossible for the scrubs to penetrate through the yearlings' back court. Scofield was high scorer for the '27 quintette, dropping in seven field goals and three free tries. Capt. Palmer played a good game, showing no ill effects from a lost month of practice. He made a total of thirteen points through five field goals and three foul tries. The Trinity scrubs made eight of their nine points in the first half, and could do nothing in the second half when the freshmen defense tightened and their powerful offense swung into action.

The line-up:

Palmer, Capt.	lf	Riley, Freeman
Scofield, Reeves	rf	Mairs, Conin
Lane, Shields	c	Taute
Daly, Flaxman	lg	McBurney, Lisch
Baron	rg	Dixon

Field goals: Scofield 7, Palmer 5, Taute 2, Baron, Riley; free tries: Scofield 3, Palmer 3, Mairs 2, Shields, Baron, Taute. Referee, Dick Dillon, Hartford.

FROSH BEAT SENIORS WITH AID OF REEVES

Seniors Fail to Penetrate Freshman Defense

"Cooky" Reeves of the freshman team was responsible for the defeat administered to the seniors by the freshmen. He dribbled through the entire senior team and caged four field goals without being stopped. The seniors strove in vain to stem the tide but the freshman team was superior in the entire game.

Eddy, Donahue, and Lawson scored a field goal apiece for the seniors but failed to locate the hoop again. Hopkins and Reeves played the best for the frosh and the latter had a good lead at the end of the game. The final score was 16—8 in favor of the freshmen.

The summary:

Seniors		Freshmen
Donahue	rf	Reeves
Lawson	lf	Smith
Bamford	c	Ajello
Eddy	rg	Hopkins
Purple	lg	Flaxman

Field Goals: Reeves 4, Smith, Ajello, Hopkins, Donahue, Lawson, Eddy. Fouls: Bamford, Eddy, Reeves, Hopkins.

SCHOOL HOOPSTERS IN CHAMPIONSHIP MEET

HERE NEXT WEEK-END

Teams Will Compete for Silver Loving Cup Offered Best Eastern Connecticut Quintette.—Will be Week-end Guests of College.

Teams from ten and possibly twelve high schools will compete in the basketball tournament in Hawley Armory, March 14 and 15 for the championship of Eastern Connecticut.

The tournament will be run in four rounds, the first round of four games starting Friday afternoon at 2:00 o'clock, the second round of four games on Friday evening beginning at 7:30 o'clock, the third round of two games on Saturday morning at 10:00 o'clock, and the final round for the championship taking place at 2:30 Saturday afternoon. The championship team will be awarded a silver loving cup.

The high schools listed for the tournament are East Hartford, Putnam, Windham, Stafford, Stonington, Rockville, Glastonbury, Woodstock, Chapman and Tourtelotte. Arrangements are still under way with Killingly High of Danielson and South Manchester High School. The visitors will be cared for by the fraternity houses and the dormitories. Lodging and meals will be furnished by the college but the teams will furnish their own transportation.

Referees for the tournament will be A. Brennan of Hartford and W. I. Graf of the Springfield Y. M. C. A. College. An admission fee of twenty-five cents will be charged for each round.

LOWLY JUNIORS BEST OVER CONFIDENT SOPHS

Lack of Team Work Defeats Interclass Leaders.—Kennedy Stars.

Both the seniors and sophomores, favored to win in last week's class games, were defeated by their opponents.

The juniors took a game from the league leading sophomores, whose overconfidence prevented them from showing their usual team work. Close guarding marked the first half and the juniors were leading at intermission 11—8. However, in the second half the juniors, led by Kennedy, succeeded in drawing away from the sophs and the final score read 20—11 in the juniors favor. For the juniors Kennedy featured with two lucky shots at a time when they were most needed.

The summary:

Juniors		Sophomores
Swem	rf	Donovan
Kennedy	lf	Ahern, Moreland
Radomski	c	Greer
Keeler	rg	Fieneman
Hutton	lg	Brink

Field goals: Greer 2, Donovan 2, Kennedy 3, Radomski 2, Ahern, Keeler; fouls: Swem 3, Kennedy 2, Radomski 3.

Dramatic Club Enthusiast: "It isn't a half bad part. I speak twice in the first act, and in Act 3, I suppress a smile."

SENIORS AND JUNIORS WIN IN CLASS GAMES

Senior Victory Makes Closer Fight for Interclass Championship.

A closer fight for the class basketball championship is the result of the victory of the seniors over the School last week Monday night.

The game was close and the outcome was in doubt until late in the second half. The score was tied at 9 all at intermission, but at the start of the second half the seniors forged ahead through the shooting of Lawson, Eddy and Bamford. The opposing centers, Bamford and Jones, led their teams in scoring, the former getting four field goals and the latter six. Jones put in some spectacular shots for the School.

The summary:

Seniors		School of Ag.
Donahue	rf	Swiebel
Lawson	lf	Lonnergan
Bamford	c	Jones
Purple	rg	Hohnthal
Eddy	lg	Burr

The juniors came back strong after trailing the freshmen at intermission, and nosed out an 18-15 victory. The frosh were leading 10-6 at the end of the first half but could not get going in the second half. Radomski led the juniors, scoring three goals from the floor, while Kennedy and Swem sunk two goals apiece.

Reeves and Morgan did most of the scoring for the frosh, while Hopkins played a good floor game.

The summary:

Frosh		Juniors
Reeves	rf	Swem
Smith	lf	Kennedy
Morgan	c	Radomski
Hopkins	rg	Hutton
Ajello	lg	Keeler

AGGIES, TEAM AND ALUMNI AT BANQUET

Speeches Feature Pep Gathering at Hotel Bond, Hartford, Preceding the Trinity Game.

Fifty Aggie alumni and students and members of the basketball squads attended the "Aggie Pep" banquet at the Hotel Bond, Hartford, Saturday evening preceeding the Trinity-Aggie game.

On the speakers program were G. H. Hollister, '02, Capt. C. R. Crim of the R. O. T. C. department and R. H. Mathewson, '22, alumni field secretary. The menu was divided in two sections, one to meet the training requirements of the squad, and the other for the guests. On the guest menu was tomato bisque, chicken, peas, potatoes, cranberry sauce, coffee and French pastry. After the banquet the party went en masse to the Trinity game. Alumni were present from Hartford, Stamford, New Haven, and other points in the state. G. H. Hollister, president of the C. A. C. Alumni Club of Hartford, was in charge of arrangements.

CUTS AND GRADES

Considerable criticism has been forthcoming from the student body on the new system of cuts and marking. Some of it has been broadminded and to a degree constructive, some of it has come on the spur of the moment with no thought behind it, but it can safely be said that none of it can be accepted with any great value. The system has been in use for too short a period, and is not yet well enough understood by the student body in general for students to express an opinion that can be accepted as a criterion of the worth of the new method.

True, the system has its defects. A perfect system is not evolved in a day. The one inaugurated last fall is a synthetic product. From similar systems in use throughout the country there were taken parts that seemed applicable to Connecticut. These parts were molded into the system on trial at the present time. At the end of the college year, if the system has proved its worth, it will, subject to changes which experience deems necessary, be officially accepted by the faculty. If time proves the system is wrong, it will be discarded.

There are certain things the system is designed to correct. One of these is excessive cutting. Another is the personal marking characteristics of the professors. Both of these faults the system is correcting. The student realizes that unnecessary cuts mean a personal loss. The faculty is given a basis for marking that is the same for every course and for every student.

Most of the criticism advanced so far by the students concerns the cuts received by athletes when on trips, and by students who are unable to attend classes because of illness or injury. It would seem at the present time that on these two points the system is most at fault. But if the recent joint meeting of the faculty scholastic committee and the student senate is productive of any good, these faults will receive attention. It is not reasonable to expect that the faculty will allow a student to be done a wrong through any system which that body of men sees fit to enforce for the good of the college.

It is interesting to note two results of the first semester's use of the new method. Not only have the number of class cuts been reduced, but additional credit has been earned by the majority of the students. Figures made public by secretary Torrey show that out of 345 students considered, about 83 percent earned bonus credit by better attendance at classes. That fact alone speaks well for the new method. With experience and a better understanding which time will give, the new system should evolve into a fair, square method for everyone.

JUNIORS ELECT D'ESOP
TO STUDENT SENATE

Two New Members in Class.—Committee Reports Accepted.

At a recent meeting of the Junior class Oscar D'Esopo was elected to represent the class on the Student Senate in place of David L. McAllister who did not return this semester.

Two new members, Miss Hannah Jensen and Miss Navarre Vartinian, were voted into the class. Miss Jensen was formerly of the class of '25, but was absent from college for a year. Miss Vartinian is a transfer from the class of '25 at Boston University.

John W. Goodrich, chairman of the Junior Week executive committee, stated that it is hoped to start the 'Week' at the baseball game on Thursday afternoon, continuing events until the Junior play on Saturday night.

Thomas J. Kennedy, chairman of the Mid-Year Formal committee, reported that the dance was a success, although the proceeds were not as great as from the "Informal" of last year, probably due to the change in the nature of the dance from informal to formal.

Clemens J. Diemand, editor-in-chief of the 1923 Nutmeg Board, reported that work on the yearbook was progressing, but that only two underclassmen are trying out for positions on next year's board. He stated that there is still work to be done on both boards, especially on the business board, the work of which is not finished until the distribution of the book in the spring.

Prof. H. L. Garrigus of the Department of Animal Husbandry has been elected alternate judge for the Milking Shorthorn classes at both the Canadian National and Canadian Royal livestock shows at Toronto, Canada.

ARTHUR V. SHEDD, '95,
ADDRESSES "AG" CLUB

Subject, "My Experiences as a Potato Grower.—Henry D. Boaz, '22, Gives Short Lecture.

At the regular meeting of the Agricultural Club, Thursday night, Arthur V. Shedd, '95, presented an instructive talk on the subject, "My Experience as a Potato Grower." Nearly thirty years ago the speaker was a student at Connecticut, and today he is one of the most successful potato growers in the State. At Preston Plains last year, he made the unusual average of three hundred bushels of Irish Cobblers per acre on a thirty acre project.

From his experiences the speaker drew certain conclusions, presenting these to his hearers in an informal manner. First, locate on land suited to potatoes and the use of machinery. He stated, "I have found my combination of potatoes, eggs and a three teated cow is ideal; also on my place, I have replaced hand labor with machine work, except for mixing fertilizer and picking up." Mr. Shedd pointed out the fact that everything for a potato plant except water could be supplied, the most essential factor being seed-bed preparation and early planting. In his opinion spraying is good crop insurance, demanding a good spray covering on the new growth until late in August. It is necessary to first grow good tops and care for them to get good tuber-growth. Commercial fertilizers used in conjunction with clover will provide all the required food. Mr. Shedd said, "My policy is to sell the crop as soon as possible; sell potatoes and speculate in something else—not potatoes. However you can sell them any day in the year as they are not a strictly perishable crop." The speaker answered many questions with interesting comments.

Preceding the main address, Henry D. Boaz, '22, gave a brief talk. He stressed the point that organization is vital to the Club's success, especially if planned to put on a fair next year. Boaz said, "Organize this spring; catalogue the 'Ag' men, securing their subscriptions; and appoint your committees so they can be working on plans for a fair during the summer." After residing out of state since his graduation, the speaker found that C. A. C.'s Agricultural course has a greater reputation out of state than within. He said, "The 'Ag' Club can best advertise the College by sponsoring the award of cups of

high schools."

The joint faculty-senior committee for Commencement recently met and started plans for graduation.

STATE PLAYERS BOOKED
FOR MARCH PROGRAMS

APPEAR AT COLLEGE SOON

Recent Productions at Danielson and North Stonington Favorably Received.—New Plays Under Rehearsal at Present Time.

Near future engagements for the State College Players call for their appearance early in March in New Britain, Willimantic, Winsted and Somers. The Players will also present "Suppressed Desires" at President's Hour, March 5.

At present a cast is working on one of Eugene O'Neil's plays, "Ile", a tragedy of fishing life. The cast is composed of Martin O'Neil, Phyllis Smith, Russel White, Robert Laubscher, Milton Moore and Lawrence Parker. A cast consisting of Dorothy Stellenwerf, Russell White and Marie Bronson, will present "Suppressed Desires".

Two engagements of recent date, one at Danielson on February 14, and the other at North Stonington on February 22, have been filled by the players. The Little Theatre Movement was favorably received in both towns.

ANIMAL HUSBANDRYMEN
VISIT HEREFORD FARMS

Senior and junior students in the department of animal husbandry visited two large beef cattle farms in the vicinity of Middletown on a field trip last Saturday. At Brookvale Farm a herd of Hereford cattle with numerous show ring winnings to their credit was inspected. The next stop was made at the farm of Samuel Russell, Jr., where a large herd of Herefords is kept for beef purposes. At the Russell farm the students attended an auction of farm horses shipped to Connecticut and sold by the North Dakota Farm Bureau Federation.

SECOND WEEK IN APRIL
SCHEDULED FOR CO-EDS

Plans are under way for a co-ed week during the second week in April. Arrangements are not yet definite, but it is expected that the Co-ed Formal will be held Friday, April 11, followed on the next night by the Girls' Glee Club concert. Also, during that week, the women will publish the co-ed issue of the Campus. These plans are as yet only tentative, but the final plans will be built on them.

President R. D. Hetzel of the University of New Hampshire, Durham, N. H., will give the address at the graduation exercises of the School of Agriculture on April 5.

SENIORS

The Campus has received a copy of Bulletin No. 38 from the National Research Council, Washington, D. C., listing "Fellowships and Scholarships for Advanced Work in Science and Technology." The list includes over 2,100 appointments in a large number of colleges and universities throughout the country. Any senior planning to do graduate work can see this bulletin by calling at the Campus office. There is usually someone at the office every noon after dinner.

TWELVE MEN IN ICE CREAM SHORT COURSE

SIX STATES REPRESENTED

**Trips to Nearby Plants, Class Room
and Laboratory Work on Schedule.
—Convention and Banquet at Finish**

Twelve men representing six states are taking the short course in ice cream manufacture given by Professor R. C. Fisher of the dairy department. The members of the course are all ice cream manufacturers, with the exception of one who comes from the Mellon Institute of Industrial Research where he holds a scholarship.

Last Saturday the men took an all day trip, visiting ice cream plants in Manchester, Hartford, and Springfield. The course continues until Friday, March 8, when there will be an educational ice cream scoring contest for which manufacturers throughout the state will send in two gallon samples of their product. Plans for Friday also include an all day conference devoted to ice cream making problems, that will be attended by men from all over the state. The convention will close with a banquet on Friday night.

The topics brought up for the course are divided into three groups as lecture topics, round table discussion topics, and laboratory practice topics, including summary problems in sources of supplies, mechanical problems of manufacture, problems of standardizing the mix, and economic problems of marketing.

FIRST SLEIGH RIDE OF SEASON GIVEN BY C. E.

The fact that the dirt road showed thru its ice covering presented no hindrance to the success of the Christian Endeavor sleigh ride on Thursday evening, February 27. Two bob-sleds filled with couples left Holcomb Hall at eight o'clock with Mr. and Mrs. A. J. Brundage as chaperones. The route followed led up the Four Corners road; coming out thru Gurleyville and terminating at the Storrs Church. Refreshments were served at the church. The committee in charge consisted of Winfield Hawks, Ruby Gold, and Anne Seymour.

An employer, noted for his energy and lack of tolerance for loafing in any form, visited his stock room and found a boy leaning irly against a packing case, whistling cheerily and with nothing at all on his mind. The boss stopped and stared.

"How much are you getting a week?" he demanded with characteristic abruptness.

"Twelve dollars."

"Here's your twelve. Now get out. You are through."

As the boy philosophically pocketed the money and departed, the boss turned to the chief clerk and demanded;

"Since when has that fellow been with us?"

"Never, that I know of," was the response. "He just brought over a note from Binx & Jinx."—Forbes.

MICHAEL FARADAY
1791-1867

Apprentice to an English book-binder. Attracted the attention of Sir Humphrey Davy, becoming his assistant. "The greatest experimentalist of all times," says one biographer. The electrical unit Farad was named for him.

In 1880 the Edison Electric Illuminating Company, of New York City, installed a generator of 1200 lamps capacity, then considered a giant. By continuous experimentation and research the General Electric Company has developed generators 900 times as powerful as this wonder of forty years ago.

"What's the use of it?"

Michael Faraday saw the real beginning of the age of electricity nearly a century ago when he thrust a bar magnet into a coil of wire connected with a galvanometer and made the needle swing.

Gladstone, watching Faraday at work in his laboratory, asked, "What's the use of it?" The experimenter jestingly replied, "There is every probability that you will soon be able to tax it." The world-wide use of electricity that has followed the Faraday discovery abundantly justifies the retort to Gladstone.

Faraday's theory of lines of force is constantly applied in the Research Laboratories of the General Electric Company in devising new electrical apparatus of which Faraday never dreamed. Every generator and motor is an elaboration of the simple instruments with which he first discovered and explained induction.

PATRONIZE OUR ADVERTISERS

He Reached the Top

THE Vice-President of a great life insurance company who began his career as an agent has this to say to seniors who are about to graduate from college:

"If you love work and desire to pursue an honorable, useful and lucrative mission in life this is the business for you to take up. Life insurance salesmanship offers a fine field for the energies of the splendid young men in our colleges.

"That this is true is demonstrated by those college men who have taken up life insurance for they have shown that the college man is fit for this kind of a job and that the job also is fit for the college man.

"The work of the life insurance salesman is distinguished by independence and opportunity for directing his own. It gives all possible opportunity for individual initiative and a chance to make an ample income at an age when most fellows are struggling on a wage pittance."

That is the story of one who began at the bottom and reached the top without the help of a college education. The advantages are with you who graduate from college. Before deciding your career make inquiries of the "Agency Department."

**CO-ED SIX LEADS
THREAD CITY TEAM**

Opponents Territory Invaded Greater Part of Time.—Hopkins, 27, Good in First Game.

Back with the original line-up, the Aggie co-eds scored another victory over Windham High School in Willimantic, Thursday evening, leading the Thread City sextette with a 32-22 score when the final whistle blew.

The ball was near the opponent's goal the greater part of the time, and the speed and pass work exhibited by Connecticut netted many points for the Co-ed five. With a ten point lead established at the end of the first half, Connecticut found no difficulty in maintaining the lead for the remainder of the game. Frances Hopkins, '27, showed up well in her first appearance with the team.

The summary:

Windham		Connecticut
Belanger	lf	Wood
Liberty	rf	Norton
French	sc	Teeter
Waller	c	Hall
Lux	lg	Parker
Curran	rg	Modell

Foul shots: Windham: Belanger 4; Connecticut: Wood 6. Substitutions: Windham: Thompkins for French; Connecticut: Grant for Wood, Everts for Teeter, Hopkins for Hall; Bartle for Parker, Ellis for Bartle. Final score 32-22. Referee, Dole. Timer, Wood.

CONNIE SAYS

A few smoked shaving brushes to go at a bargain. Regular 40c to \$1.50 value to go at 25c each while they last.

Also a few of the famous Brine's sweaters left. Old price \$15.50. To go at \$11. Come early and get your style. A real buy.

Four pairs of Trail-Moc Shoes to go at a bargain to anyone finding his size. Just the thing to dash out in in the Spring.

Get ready for the baseball season. The early bird will get the real bargains, so don't wait.

One half dozen baseball belts, size one and three-quarter inches wide; regular \$2.00 value to go at \$1.00 each to the first comers.

One dozen pairs of footless socks to go at cost. Regular price \$2.50. Sell for \$1.75.

Also some of the cheaper makes—to go at half price.

Eight pairs of \$1.00 stockings to go at Fifty Cents per throw.

Get that jewelry now that you have been waiting for. For the last time before the jewelry goes back to the manufacturer.

Twenty-five percent off on each and every article in the case for the entire week. Saturday positively the last day that the discount holds. Don't get left.

Now is the time to get a good set of reference books at bargain prices. Inquire of the clerks for the rock bottom prices on the text books now in stock.

Many books valued at \$3.50 to go for one berry. Several similar buys.

**INTERFRAT BOWLERS MEET
IN ANNUAL COMPETITION**

Alpha Phi and Eta Lambda Sigma Start Schedule.—Final Match on March 20.

The annual interfraternity bowling match began last Monday, according to the schedule made out by the committee from the Mediator.

Elimination matches for competition in the final tournament have been held by the various fraternities. It is probable that the fraternities will use their freshmen members in the matches, as the yearling class has good material in it. Last year the award was given Phi Mu Delta, with Ernest Post, '24, as the individual high scorer.

The schedule arranged by the Mediator follows: March 3, Alpha Phi vs. Eta Lambda Sigma; March 6, Phi Epsilon Pi vs. Sigma Phi Gamma; March 10, College Shakespearean Club vs. Phi Mu Delta; March 13, Alpha Gamma Rho vs. the winner on March 10. The final match will take place on March 20.

KAMPUS KLIPS

Something from Strix (Stockholm)

"What do you take as a remedy for your insomnia?"

"A glass of cognac at regular intervals."

"Does that make you sleep?"

"No, but it makes me satisfied to stay awake."

Brick: "Wonderful conversationalist isn't she?"

D'Esopo: "Depends on who she talked to last."

Ski-U-Mah's Idea of a Wise Crack

She said: "Picture me in your arms" and so he framed her.

On the Question Box

Dear Ed.: Can you give me the remaining lines to the poem which starts in this doggy fashion?

Up at Jimmie's "Dew Drop"

Where they serve a Hamburg mess,
(As all who's scoffed at yonder joint
Will eagerly attest.)

Where Mrs. Jimmie (honored spouse)

Careens about the place,
Followed by a good percentage
Of the human race, etc.

(A Freshman Hands the Ed. Some doggerel).

Experience

I once played at tag with a tomboy lass

And she ran away with my hat.
Chasing her carefree laughing flight,
I caught her and kissed her for that.

I once played at love with that self-same lass

And she ran away with my heart.
She led me again on another wild chase
But the race was lost from the start.

Now I brood in silent misery

Racked by Life's cruel blow
Cursing myself for loving
And having her treat me so.

L'Envoie

And I've decided that when

I'm playing again
To let only headgear go.

AGGIE SCORE IN CORPS AREA MATCH

Team of Ten Men Completes Range in R. O. T. C. Rifle Competition.

The Connecticut rifle team, composed of ten men and one alternate, recently completed the shooting for the prize which is offered by the commander of the first corps area of R. O. T. C. units. The course includes eight series of ten shots each with a possible score of eight hundred.

W. H. Griffin, '26, was high man for the team with a score of 728 and an average of 91 for the match. The other scores made by the members of the team are: Saymon, 727; Hitchcock, 727; Kuhl, 721; Wehger, 714; Purple, 712; Brenneis, 709; Susman, 708; Jacoby, 704; Kielwasser, 692; Conklin, 688.

There are All Kinds of Ways to Feed Cows

and about 60% of them are being employed by dairy farmers who are constantly wondering why their herds don't return more profit over feed.

The other 40% includes the methods taught at the agricultural colleges. In the colleges it has long been known that there is no mystery in the process of milk production—that if the elements of milk are in the feed milk itself will be in the milkpail, and vice versa.

That is one reason why DIAMOND CORN GLUTEN MEAL, with 40% milk-making protein, is in college dairy barns. It is also a reason why DIAMOND should be in YOUR dairy barn when you start milking your own cows.

The feeder of DIAMOND is getting the greatest possible amount of actual milk-making nutrients for every feed dollar.

BLUE AND WHITE CO-EDS LOSE TO RHODE ISLAND

Connecticut's co-ed hoopsters lost to the Rhode Island co-ed team by the score of 48 to 18 at Kingston last Saturday. Despite persistent attempts on the part of Connecticut, the co-eds were unsuccessful at getting the tap on the ball because of the height of the opposing center. Wood and Norton were the stars for the Blue and White co-eds.

MID-WINTER ALUMNI COUNCIL THIS WEEK

LEADERS FROM 12 CLUBS

First Winter Meeting at College.—
Business and Entertainment on
Program.

The Alumni field secretary at the College has arranged for the mid-winter meeting and conference of the leaders of the twelve local alumni clubs to be held at Storrs on Saturday, March 8. Starting at three o'clock in the afternoon there will be a business meeting to arrange important matters which come to the attention of the alumni advisory council; this will be followed by an informal dinner in the dining hall where the visiting leaders will be entertained by the local alumni of Storrs. In the evening the visitors will attend the basketball games in Hawley Armory between the C. A. C. Freshmen and the Roxbury School, and the Varsity and Rhode Island State.

"Meetings of the Advisory Board were inaugurated in 1922 and have proved remarkably successful. This is the first attempt to hold a mid-winter meeting of leaders at the college, and if each leader makes an effort to attend, the gathering should be exceptionally worth while. Two leaders may attend from each Club if this is desirable." Questions to be brought up at the meeting include financial policy, commencement plans, use of surplus in 1923-24 budget, and changes in constitution.

The following Clubs will be represented at the meeting: Litchfield, Danbury, Bridgeport, Hartford, Waterbury, New Haven, Storrs, Norwich, Middletown, Philadelphia and New York.

STATE COLLEGE PLAYERS APPEAR IN NEW BRITAIN

Present Three Plays Before Grange
Audience.—Dancing Followed.—
Eleven Make the Trip.

The State College Players completed another chapter in their history on Saturday when they filled an engagement before the New Britain Grange. The party, consisting of eleven, left Storrs at 3:30 p.m. in the cars of Prof. H. A. Seckerson and Prof. C. A. Wheeler. After a supper served by the women of the Grange, the following plays were given: "The Trysting Place", "Fancy Free", and "Suppressed Desires". Dancing followed the program after which the members of the party were entertained for the night in the home of Grange members. The Players returned to Storrs Sunday morning.

(Cont. from page 1 col. 3)

15. "La Marseillaise," par French 1 et l'auditoire en chœur.

The accompanists were Mlle. Cramer, M. Adams, Mlle. Germaine Dion of Willimantic on the piano; Mlle. Vartini on the ukelele; and M. Girard on the violin.

Prof. Croteau announces another entertainment to take place in the spring.

IMPROVEMENTS MADE IN OFFICE OF PRESIDENT

Alterations and repairs in the office of President C. L. Beach are under way and will probably be completed in a short while. The old fireplace and chimney have been removed and a new ceiling put in place. The ceiling will be tinted a light color. The old woodwork, including the door and window casings, baseboards, picture mouldings and doors will be replaced in oak. A new hardwood floor will be laid. Later in the spring the office will be refurnished throughout with furniture in harmony with present improvements.

(Cont. from page 1 col. 4)

the faculty scholastic standing committee and the Student Senate. These credits were figured only on the basis of cuts taken, and do not take into consideration the student's grade at the end of the course.

It was found that 1 student earned more than 2 credits, that 37 earned between 1.6 and 2 credits, that 102 earned between 1.1 and 1.5 credits, that 82 earned between .6 and 1 credit, that 65 earned between zero and .5 credit, that 29 lost between zero and .5 credit, that 14 lost between .6 and 1 credit, that 8 lost between 1.1 and 1.5 credits, that 1 lost between 1.6 and 2 credits, that 3 lost between 2.1 and 2.5 credits, that 2 lost between 2.6 and 3 credits and that 1 student lost more than 3 credits.

Out of the 345 students considered in this tabulation, 287 gained credit and 58 lost credit because of the new cut system.

(Cont. from page 1 col. 1)

gregational Church wish to express to you its sincere appreciation of your services to church and community during the past eight years. Under your thoughtful and untiring leadership the church has made notable progress, as is shown by its growth in numbers, by its greatly increased yearly financial program, by the repair of its present building, by its reorganization and incorporation, by the many and helpful contacts it has made with other denominations and with the organizations and leaders of our own, and by its auspicious embarkation on a campaign to secure a modern church plant thoroughly adequate to serve the religious needs of the community. Even more notable perhaps than your executive accomplishments has been the remarkably high quality of the sermons you have preached to us. They have not only stimulated keenly the minds and the hearts of your audiences but have given the Storrs pulpit a national reputation of which we may well be proud. Your pastorate has also achieved notable distinction through your various literary productions which have culminated in your recent book. In an appreciation of your work we should be remiss if we did not also express gratitude for the valuable assistance which Mrs. Dawson has rendered in many ways, especially in establishing the Sunday School on its present thriving basis.

"The church, the college and the community will miss you both. We predict for you a brilliant future in
